INFORMATION DISCLOSURE STATEMENT

S I R:

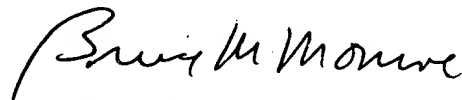

Pursuant to the duty of disclosure as set forth in 37 C.F.R. 1.56, Applicant hereby brings to the attention of the Patent and Trademark Office the publications listed on the attached Form PTO-1449 which may be helpful in the examination of the above-identified patent application. Copies of the cited publications are enclosed for the convenience of the Examiner.

Although the information submitted herewith may be "material" to the Examiner's consideration of the subject application, this submission is not intended to constitute an admission that such information is "prior art" as to the claimed invention. In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

This Information Disclosure Statement is being filed prior to the first official action. Therefore, no fee or certification is required. 37 C.F.R. § 1.97(b). The claims of the captioned application are directed to subject matter that is believed to be patentably distinct over the disclosures of the publications cited in the attached Form PTO-1449.

Respectfully submitted,
